God's plan for His people

How do we recognise hope
amidst the pain?

While the prophetic chapters of Daniel often cause controversy among believers who differ on their interpretations of the End Times, Dr. Chapell will show how the grace of God clearly shines through these chapters as a revelation of God's overall saving purpose for his people.

As a consequence, these passages become a sure source of great hope and encouragement rather than a source of speculative controversy.

ABOUT THE SPEAKER

Bryan Chapell is the President of Covenant Theological Seminary in St. Louis, the national seminary of the Presbyterian Church in America (PCA). Bryan Chapell has also served as a pastor of two churches. He now preaches and teaches in churches and schools in many nations.

He has authored several books including: *Holiness by Grace*; *Each for the Other*; *Praying Backwards*; and *Christ-centered Preaching* - a preaching textbook now in multiple editions and languages throughout the world.

Bryan and his wife Kathy have four children—two married sons, a married daughter and a daughter in high school.

ABOUT THE ORGANISERS

KUALA LUMPUR CHRISTIAN CONFERENCE

The Kuala Lumpur Christian Conference (KLCC) was formed in 1997 with a single purpose: to encourage godliness through expository Bible teaching.

In 1999, KLCC together with Evangel Book Centre, organised the first **Klang Valley Bible Conference (KVBC)**. This conference has since become an annual event with preachers such as Don Carson, David Cook, David Jackman, Chris Wright, Mike Raiter and John Woodhouse expounding God's Word.

Expository Preaching Seminars (EPS), aimed at pastors, preachers and teachers, have been organised in conjunction with KVBC since 2001. Each year, EPS seeks to encourage and strengthen Christian leaders in an aspect of expository preaching.

EVANGEL BOOK CENTRE

Established in 1955 as a non-profit organisation, the Evangel Book Centre is under the care of a local Management Committee whose members are from various churches.

It is an evangelical Christian literature ministry serving the churches with an emphasis on Bibles, reference works, commentaries and group study materials. Any marginal profit is used to further this literature ministry or other Christian charitable work.
